Priority Control System

Three Conductor, 20 AWG, Stranded, Shielded

Specifications

Insulation	.025" PE
Shield	Aluminum/Mylar tape (with drain wire)
Color Code	Yellow, blue, orange
O.D./Weight	.25", 43 lbs/M-ft
Jacket	.045" black PVC

Part No. 3C20T70SS

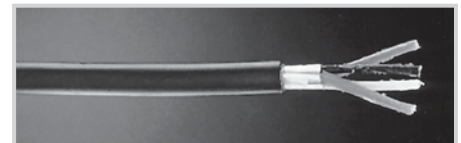

Vehicle Detection System

Four Conductor, 18 AWG, Stranded, Shielded

Specifications

Insulation	.01" PE
Shield	Water Blocking Tape (with drain wire)
Color Code	Black, red, white, green
O.D./Weight	.26", 44 lbs/M-ft
Jacket	.032" black PE

Part No. 4C18B70SF

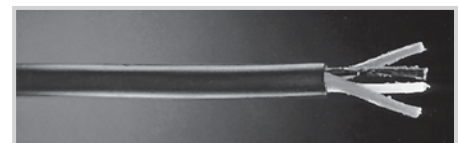

Vehicle Detection System

Four Conductor, 18 AWG, Stranded, Unshielded

Specifications

Insulation	.01" PE
Cable Core	Water Blocking Tape
Color Code	Black, red, white, green
O.D./Weight	.26", 44 lbs/M-ft
Jacket	.032" black, high-density PE

Part No. 4C18B7NSF
